POST AND CORE BUILDUP

I mr/mrs.-----aged -----male/female, have been explained by the Dr.----- about the need for Post and core build up for the tooth numbered ----- and I have been explained about the procedure in detail including drilling of a small hole in the tooth and placement of a post and build up of the tooth core structure.

If not treated, chance of fracture of the tooth at a later stage. An alternative treatment option, extraction of the tooth has been explained.

Post-operative sequel like pain and swelling for few days have been explained.

I hereby agree to undergo the post and core buildup of the tooth and agree to follow-up with the doctor as per his/her advice.
